

otherwise indicated, all citations to section 351 of the regulations of the Department of Commerce ("the Department") are to the regulations published in the **Federal Register** on May 19, 1997 (62 FR 27296).

#### SUPPLEMENTARY INFORMATION:

##### Background

On May 8, 1998, the Department published in the **Federal Register** the preliminary results of its antidumping duty changed circumstances review on fresh cut flowers from Colombia (63 FR 25447). We have now completed this changed circumstances review in accordance with section 751(b) of the Act and 19 CFR 351.216(d).

##### Scope of Review

The scope of the order under review is shipments of certain fresh cut flowers from Colombia (standard carnations, miniature (spray) carnations, standard chrysanthemums and pompon chrysanthemums). These products are currently classifiable under item numbers 0603.10.30.00, 0603.10.70.10, 0603.10.70.20, and 0603.10.70.30 of the Harmonized Tariff Schedule (HTS). Although the HTS numbers are provided for convenience and customs purposes, the written description of the scope is dispositive.

##### Final Results of Review

This review covers one producer of the subject merchandise, Flores El Talle S.A. ("Flores El Talle"), an entity created by members of the Flores Colombianas Group, a group of producers and exporters. The Department revoked the order with respect to that group on May 31, 1994 (see, 59 FR 15159). In this changed circumstances review, the Department examined the question of whether Flores El Talle should be assigned a cash deposit rate equal to the "all others" rate, or whether it is covered by the revocation granted to the Flores Colombianas Group.

We received no comments on the preliminary results of review. Therefore, for the reasons stated in the preliminary results of review and based on the facts on the record, we find that it is appropriate to treat Flores El Talle and the Flores Colombianas Group as a single entity in the production and sale of the subject merchandise. Consequently, the revocation of the antidumping duty order with respect to the Flores Colombianas Group extends to Flores El Talle.

This revocation applies to all unliquidated entries of this merchandise produced by Flores El Talle, exported to

the United States and entered, or withdrawn from warehouse, for consumption, on or after May 31, 1994 (the effective date of the revocation from the order for the Flores Colombianas Group). We will instruct the U.S. Customs Service to release any cash deposit or bond and liquidate the entries without regard for antidumping duties (see, 19 CFR 351.222(g)(4)).

This notice also serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Failure to comply is a violation of the APO.

This determination is issued and published in accordance with sections 751(b) and 771(i)(1) of the Act.

Dated: June 18, 1998.
